01.11.2023 Nina has had a meeting with the ICB who tell her there is a meeting planned about the building this week. The many issues at Creswell were discussed and Nina has to cost the most urgent needs and get back to the ICB to discuss.

The ICB say that the Practices are aware of the current situation but Nina explained they have not spoken to anyone regarding the new build formally for over a year. The build was mentioned in another meeting with the ICB in November and Nina was told there were meetings planned but these did not take place and she hasn't heard anything since.

07.05.2024 Despite continued assurance that a meeting will be held to discuss the building nothing has been sent too the Practice to confirm a date or a start date for the project. Both Craggs and Creswell are chasing up.
